**VERIFIED STATEMENT (DECLARATION) CLAIMING SMALL ENTITY
STATUS (37 CFR 1.9(f) and 1.27(c))--SMALL BUSINESS CONCERN**

Commissioner of Patents and Trademarks
Washington, D.C. 20231

I hereby declare that I am an official of the small business concern empowered to act on behalf of the concern identified below:

NAME OF CONCERN **iHEAR Systems**
ADDRESS OF CONCERN **34337 Xanadu Terrace**
Fremont, CA 94555

I hereby declare that the above identified small business concern qualifies as a small business concern as defined in 13 CFR 121.3-18, and reproduced in 37 CFR 1.9(d), for purposes of paying reduced fees under Section 41 (a) and (b) of Title 35, United States Code, in that the number of employees of the concern, including those of its affiliates, does not exceed 500 persons. For purposes of this statement, (1) the number of employees of the business concern is the average over the previous fiscal year of the concern of the persons employed on a full time, part time or temporary basis during each of the pay periods of the fiscal year, and (2) concerns are affiliates of each other when either, directly or indirectly, one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both.

I hereby declare that, except as noted in the paragraph immediately below, rights under contract or law in the above-captioned application and in the invention disclosed therein have been conveyed by the inventors named as the applicants therein to the small business concern identified above and remain therewith.

The rights held by the above identified small business concern are exclusive, and no rights to the invention are held by any other person or by any other concern. I declare that the above identified small business concern has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person or entity that could not be classified as a small entity under 37 C.F.R. 1.9(f).

I acknowledge the duty to file, in this application for patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small business entity is no longer appropriate. (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

A S S I G N M E N T

In consideration for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the below named Sole Proprietor of iHear Systems, a California entity having an office in Danville, California, hereby assign, transfer and deliver to InSound Medical, Inc., a California entity having an office in Fremont, California, its successors and assigns (collectively referred to as "InSound"), the entire right, title and interest in and to all subject matter owned by iHear Systems disclosed in United States Serial No. 09/303,086 filed in the U.S. Patent and Trademark Office on 29 April 1999, entitled:

CANAL HEARING DEVICE WITH TUBULAR INSERT

and in and to all patents and all Convention and Treaty rights of all kinds, in all countries throughout the world, for all such subject matter. I agree to sign all documents necessary to secure all such patents and rights and request recordation of the assignment of all such patents to InSound in accordance with this Assignment.

I confirm that I have not made any agreement in conflict with this Assignment. I further agree that I will provide information within my knowledge or belief and do all other relevant things that InSound deems necessary or desirable and requests of me in connection with obtaining or maintaining, or in connection with any proceeding, controversy or litigation pertaining to, any such patents or in order to perfect and/or enforce InSound's ownership of the right, title and interest conveyed by this Assignment, or in connection with this Assignment, without additional payment, on the understanding, however, that InSound will bear all reasonable expenses actually incurred for or in connection with such matters. This Assignment and the obligations assumed by me shall be binding on my heirs and personal representatives.
